

**New & Recommended Jazz CDs by Bob Bernotas,
Host of WNTI's Just Jazz**

June's four new CD recommendations:

It's Clear, Kenya Revisited Live!!!, AirBass, Mosaic

Bob Bernotas, WNTI's host of Just Jazz, makes the following four CD recommendations:

Gina Schwarz & Richard Oesterreicher: AirBass (ATS Records):

Bassist Gina Schwarz and harmonica player Richard Oesterreicher, two of Austria's most gifted jazz artists, have produced an engaging collection of tuneful pieces, most of them composed by Schwarz.

At various times the ensemble includes bass clarinet, vibes, guitar, percussion, and a string quartet, generating a fresh, original sound-palette that cannot help but surprise and delight the attentive listener.
